Jenny and her dad are organising a surprise 45th birthday party for her mum. The party is tomorrow, but the preparations ¹ _____ six months ago. First, she ² _____ the invitation to all her family and her mum's friends. That's 50 people. They all had to keep the secret.

Three months ago, Jenny and her dad ³ _____ their favourite restaurant. They ⁴ _____ the menu for the party with the chef.

Two months ago, she ⁵ _____ a video from old photos of her mum when she was young. She wants to play the video at the party.

The day before yesterday, her mum's cousins flew in from Canada and so Jenny ⁶ _____ them for the first time.

Yesterday, she and her dad put up some decorations outside the restaurant. They ⁷ _____ a great job and the building looks amazing.

Today, they ⁸ _____ her mum a lie so they can keep the secret. She knows they've got a meal together tomorrow, but she doesn't know about the other 50 people!
