ADVANTAGE AND DISADVANTAGE ESSAY

"In recent years, online learning has become increasingly popular around the world. Many universities now provide online courses that allow students to study from home. This method of learning offers greater flexibility for students who cannot attend traditional classes. However, some educators believe that online learning may reduce the quality of interaction between teachers and students."

(Source: Adapted from an education report by UNESCO)

Write an essay to **discuss the advantages and disadvantages of online learning**. Give reasons and include any relevant examples from your own knowledge or experience.
