Exercise 6: Reading Comprehension

"My Future Plans"

My name is Daniel. I am a student and I love English. Next year, I am going to study English every day. I want to improve my skills and speak fluently with other people.

In the future, I will travel to different countries. I will visit the United States and Canada. I am going to meet new people and learn about their cultures. I also want to be a teacher. I will teach English to children and teenagers. I am going to help them learn and enjoy the language.

Next summer, I am going to take a special English course. I will practice speaking, listening, reading, and writing. I think it will be a great experience. I know it is not easy, but I will try my best. I am going to study hard and never give up. I believe I will have a successful future.

What is Daniel going to study?

a) Math b) English c) Science

When will he study English?

a) Next year b) Yesterday c) Today

Where will he travel?

a) Europe b) USA and Canada c) Asia
