

Name : _____

Day, Date: _____

Identify the text, answer the questions after you read the text

My Best Friend

My best friend is Salsa. She is a student in the seventh grade at my school. I have known her since we were in elementary school. Salsa is a friendly and helpful person, so many students like her.

Salsa has long black hair and bright brown eyes. She is tall and slim. She is very kind, cheerful, and always polite to everyone. Every day, she goes to school early and studies seriously in class. After school, she usually helps her mother at home and spends her free time reading books or playing badminton with her friends.

1. Is Salsa tall or short?
2. What does Salsa do at school every day?
3. What does Salsa do after school at home?
4. Find three adjectives in this sentence: *"She is very kind, cheerful, and always polite to everyone."*
5. Mention two action verbs in this sentence: *"She goes to school early and studies seriously in class."*
