A Day in the City

Tom is in the city.

He has two bags and one phone.

In the street, he sees ten cars and sixty people.

There is one big building and four small shops.

Tom goes to a café.

He buys one coffee and two sandwiches.

On the table, there are six cups and a plate.

After that, Tom walks to the park.

In the park, he sees fourteen trees, four benches, and one dog.

The dog has two toys.

At the end of the day, Tom goes home.
