### 4. READ AND NUMBER.

Hello, I'm Bella. I've got lots of plans for the future. In three years' time I will probably go to university. I'm quite good at maths so I could study economics. When I finish university I will probably go backpacking for a few months with my best friend. We might go to China! When I come back I will definitely get a job and leave home. Then I want to learn to drive and buy a car. In ten years' time I might get married ... and then I may have children. And one day I will probably start my own business... that's my ambition.
