A TRIP TO NEW YORK

Dear Kate,

My cousin Nick and I arrived here in New York last Sunday. There were no problems during the flight. We are staying in a nice apartment in Manhattan. The weather is good. In fact, it is always sunny. Everything is amazing!

On Sunday, we visited the Empire State Building, the famous Art Deco skyscraper, and we took a lot of photos of it. It is a 102-storey building. On Monday, we spent the whole day in Times Square. In Times Square, you can find whatever you want, and it is lit by many digital billboards.

I found out that in the past it was called Longacre Square, and it was named Times Square in 1904.

On Monday, we attended a show at the Broadway Theatre. We enjoyed it a lot. On the following day, we paid a visit to Ground Zero and then, we visited the Statue of Liberty. I was astonished when a tourist guide told us that the statue was built in France... I didn't know it! On Wednesday, we spent the whole day in Central Park. Right now, we are getting ready to leave. We are reaching the airport by taxi, and we are landing in London at midnight. See you soon!"
