

7 Communication 2 Good neighbours: let's work together

Persuade your neighbour to see your point of view.

STUDENT A	STUDENT B
SITUATION 1 You play violin in an orchestra and you have to practise for an important concert in two weeks' time.	SITUATION 1 You work nights in a hospital so it's important that you get lots of sleep in the daytime.
SITUATION 2 You are planning to knock down a wall to make the kitchen bigger. The best time to do it is in the summer holidays when you are not working.	SITUATION 2 You work hard and you are looking forward to relaxing at home during the summer holidays.
SITUATION 3 Your favourite football team is City – they play in blue. And you love the houses in your street – they are all pretty with blue doors.	SITUATION 3 Your favourite football team is United – and they play in red. You love United so much that you have decided to paint your house red.
SITUATION 4 You love cats – and you have decided to get three! You think they will enjoy going outside in the garden.	SITUATION 4 You like bird-watching and put bird food out in your garden so you can attract lots of different song birds.
SITUATION 5 You want to grow your own fruit and vegetables, but your garden is quite small. You think it would be good if your neighbour grew vegetables too. You could both have cheap, healthy food!	SITUATION 5 You like sitting in your small garden with its pretty flowers – but you don't really like gardening.
