My village is generally called Langde which consists of Upper Langde and Lower Lane. My own village is Upper Langde, 32 kilometers away from Kaili city and 17 kilometers away from Leishan Country. My hometown is located at the foot of a scenic mountain with a murmuring crystal clear river in front. Groups of waterwheels by the riverside produce beautiful folk songs day and night.

My father said that this festival runs for three consecutive years. People do not kill fattened pigs during the first and second years but only in the final year. So, the most special year is the last one, **namely** the 13th year. As you can imagine, it is not easy to see many in one lifetime. I can't remember what the last one, 13 years ago, was like. Fortunately, my village held the festival from 22nd February to 2nd March this year (2004) and the one this year was very spectacular.
