

# Listen and practice

One day, a hare was boasting about how fast he could run.

He was laughing at the tortoise for being so slow.

The hare was overconfident, and he challenged the tortoise to a race. As the race started, the hare ran very fast and went far ahead of the tortoise. He thought there was plenty of time to relax, as the tortoise was very far behind. Soon he falls asleep, thinking he would win the race easily. Meanwhile, the tortoise continues to walk slowly until he reaches the finish line. The overslept hare sees the tortoise on the other side of the finish line. The tortoise had beaten him in the race.

The Moral of the story is  
Slow and steady wins the race.
