

Name: _____

The Skip Counting Mouse

Help the mouse find the cheese.
Count by 2s. Fill in the missing numbers.

The path starts at a mouse and ends at a piece of cheese. The path is a series of circles connected by arrows. The numbers in the circles are: 2, 4, 6, 8, 10, 12, 14, 16, 18. There are 9 empty circles along the path for the student to write the missing numbers.
