English subject - Year 3
Reading Comprehension

Read the text and answer the following questions:

A mother's love for her child is very special and strong. It feels like a warm hug that never goes away. She takes care of her child every day and makes sure they are safe and happy. She helps them learn new things and grow step by step.

When the child feels sad or scared, the mother speaks in a soft and kind way. Her words make the child feel calm and better. She stays close and shows love in everything she does.

A mother's love is always there. It never fades or ends. It is a strong bond that lasts forever and fills life with warmth and joy.

She smiles when her child smiles. She listens to her child every day. She helps them when they need it. She is always there for them.

She teaches them what is right and wrong. She cheers for them when they try. She holds their hand when they are afraid. Her love helps them feel safe, strong, and happy.
