Learning Indicators. The student:

- Identifies the difference between the English sounds /θ/ and /ð/ in isolated words.
- Recognizes common spelling patterns with th to predict whether the pronunciation is /θ/ or /ð/.
- Pronounces familiar words containing /θ/ and /ð/ with increasing accuracy.

TH PRONOUNCIATION.

Overview: In English, **th** can have two main sounds:

/θ/ = voiceless sound, as in think, author, path

/ð/ = voiced sound, as in this, mother, breathe

Part 1. Classify the sound. Read each word and decide whether the th sound is: /θ/ /ð/
