D. Answer the question from the text below Choose A,B,C,D or E

This is my new bicycle which I bought two days ago .I like it and an proud to have it because I bought it with my own money. I earned it with great efforts.

Before I had the bicycle ,I went to school with my father by motorcycle. He dropped me to school before he went to work .When I saw my friends going to school by bicycles ,I felt envious of them .They were riding their bicycles ,I felt envious of them .They were riding their bicycles to my parents, but they didn't have much money .They spent more money to pay for my brother's tuitions to study at the university .I realized that my brother needed it.

Then ,I had an idea to work during my holiday ,but my parents disagreed .My brother gave me an idea to make good bags and then sold them online .I did make several and promote them. Luckily a person contacted me to order 500 goody bags for her weddings 's souvenirs .I did it during my holiday .My mother and brother also helped me. My customers was satisfied with the bags and I was so glad.

Latter ,I asked for my parents permission to use the money to buy bicycle .They agreed .Then, my father accompanied me to a bicycle shop .Now ,I ride my bicycle to school, along with my friends.
