Listen and read. What job does Majid think Frank will do in the future?

Majid: Great goal, Frank!

Frank: Thanks!

Majid: I read in the blog that you don't think you're good enough to be a professional footballer when you grow up. I disagree! I think you'll be a brilliant footballer for one of the big teams!

Frank: Ah, that's kind of you to say, but I don't think that will happen. I'm pretty sure it won't happen!

Majid: Yes, it will! A football manager will come to our school and he'll see you play and he'll ask you to join!

Frank: Ha ha! I think that will only happen in my dreams! But thank you anyway. I'll keep practising and who knows what will happen in the future. What about you? What will you do when you grow up? You love travelling and cooking food from different countries. Will you work in a hotel abroad? Or maybe you will become a chef?

Majid: No, I won't. I've always wanted to be an architect.

Frank: Oh cool! Will you design a house for me?

Majid: Of course I will! What type of house will you want to live in?

Frank: Oh, I'm not sure. I think I'll live in a big house near the sea.

Majid: You'll need a big garden so you can practise scoring goals for your professional team!
