Hello! My name is **Leo**. I am 8 years old. At the weekend, I do many things. I ride my bike in the park with my dad. I don't play videogames at home because I prefer to be outside. I listen to music in my room. I also talk to friends on the phone.
I have a friend named Emma. She is very talented. She can play the guitar very well. She can skateboard too. She can't play the drums, but she wants to learn. At the weekend, Emma flies a kite with her brother. She doesn't swap cards because she doesn't like them.
Last weekend, we had a picnic together. We ate sandwiches and played catch. I can't jump high, but Emma can. She is amazing!
