Sound Pitch: Knowledge Check

A: Listen and Look

Pitch is how a sound feels.

-  **High** sounds are squeaky (like a mouse).
-  **Low** sounds are deep (like a bear).

Look at the pictures below. Does it make a **High** sound or a **Low** sound?

Circle the correct word.

		
1. Bird High / Low	2. Lion High / Low	3. Whistle High / Low

B: Big and Small Sounds

-  **Big** things make **LOW** pitch.
-  **Small** things make **HIGH** pitch.

Look at the drums. **Circle** the correct word.

1. The **big** drum makes a sound that is...

a) High / b) Low

2. The **small** drum makes a sound that is...

a) High / b) Low

3. Which string makes a **low** sound?

a) The thin string / b) The thick string

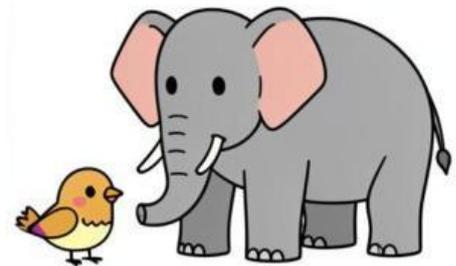

C: Draw a Sound

Draw something that makes a **HIGH** sound.

D:1. In your own words, what does pitch mean?

Tell me using a full sentence.

2. Look at the bird and the elephant. Which animal makes a low, rumbling sound?

Why?
