

Maria is a young girl. She lives in a small house with her family. Every morning, she wakes up early and eats breakfast with them. Today, the weather is very sunny, so she goes to the park near her home.

At the park, Maria meets her friend Lucas. He is very happy to see her. They play together and run quickly across the green grass. Sometimes, they sit under a big tree and talk quietly.

Maria brings a red ball in her bag. She throws it to Lucas, and he catches it easily. After that, they walk around the park and look at the beautiful flowers. In the afternoon, Maria feels a little tired, so she sits on a bench next to her friend. They drink water and eat some snacks. Later, Maria goes back to her house with a smile on her face.
