

1. Read the text and underline all the examples of was / were.

My Summer Holiday

Last summer, I was on holiday with my family. We were in a small town near the beach in Spain. The hotel was big and comfortable, and the rooms were very clean, everyone was very friendly too.

Every day, we were very busy. In the morning, we went swimming in the sea or sunbathed on the beach. The sea was warm and clear, so we swam for hours. My younger brother and I also made sandcastles near the water.

In the afternoon, we usually went sightseeing. One day, we were in a small village in the mountains. The village was quiet and peaceful, and the views were amazing. Another day, we visited a famous city. The streets were crowded, but the buildings were beautiful, there I bought some souvenirs for my friends.

In the evening, we ate at different restaurants and walked around the town. The food was delicious and the weather was hot and sunny every day. It was an amazing holiday. I was very happy because everything was perfect.

2. Read again and write T (true) or F (false).

1. The student was on holiday with friends.
