

# Place Value Practice

Name \_\_\_\_\_

Directions: Write the tens and ones values in the boxes, then put them together to write the number.

|                      |                      |   |                      |
|----------------------|----------------------|---|----------------------|
| <b>Tens</b>          | <b>Ones</b>          | = | <b>Number</b>        |
| <input type="text"/> | <input type="text"/> |   | <input type="text"/> |

|                      |                      |   |                      |
|----------------------|----------------------|---|----------------------|
| <b>Tens</b>          | <b>Ones</b>          | = | <b>Number</b>        |
| <input type="text"/> | <input type="text"/> |   | <input type="text"/> |

|                      |                      |   |                      |
|----------------------|----------------------|---|----------------------|
| <b>Tens</b>          | <b>Ones</b>          | = | <b>Number</b>        |
| <input type="text"/> | <input type="text"/> |   | <input type="text"/> |

|                      |                      |   |                      |
|----------------------|----------------------|---|----------------------|
| <b>Tens</b>          | <b>Ones</b>          | = | <b>Number</b>        |
| <input type="text"/> | <input type="text"/> |   | <input type="text"/> |

|                      |                      |   |                      |
