

VOCABULARY (Items 1-5)

[5 marks]

23- For each item, shade in the bubble next to the correct option.

There are certainly some (1) _____ to using flying cars. To begin with, flying cars can be time-saving as they can fly to their destination directly without having to follow roads or stop at traffic lights. This way, flying cars do not get (2) _____ in traffic jams or become involved in road traffic (3) _____ or other problems. Moreover, flying cars are easy to use because they have an (4) _____ system. For example, the driver enters the destination's address and then the flying car will arrive at the exact place.

Therefore, you will get to your (5) _____ easily and quickly.
