

Read the writing tip and write an email about a trip.

- When we write about the past, we use the past tense, e.g. *I took a lot of photos.*
 - Use adjectives to talk about your feelings, e.g. *They were very scary.*
 - We use and to talk about similar ideas, e.g. *It was very hot and sunny there.*
 - We use but to talk about different ideas, e.g. *They were scary, but they were interesting too!*
