

Ex 5: Read the text and answer the questions. Each answer should consist of only one word or one number. (Đọc văn bản và trả lời các câu hỏi. Mỗi câu trả lời chỉ bao gồm một từ hoặc một số)

A.

Sarah, Mike, and Jake took part in a math competition. Sarah scored 85 points, Mike got 90, and Jake received 95. Among them, Jake had the highest score. However, when it came to speed, Mike solved the problems faster than Sarah and Jake. Sarah, on the other hand, was the most careful and made the fewest mistakes.

1. Who was the smartest student in the competition?
2. Who was the fastest at solving problems?
3. Who was the most careful student?
4. Who had the fewest mistakes?

B.

Last summer, Anna, Ben, and Charlie went on different vacations. Anna visited a small beach town, Ben explored London, and Charlie hiked in the mountains. Charlie had the most adventurous trip because he climbed the highest peaks. Ben stayed in a very crowded place, as the city was full of tourists. However, Anna had a relaxing vacation, enjoying the quiet beach. Among them, Charlie traveled the farthest, while Anna spent the most money on souvenirs. Ben, on the other hand, took the most pictures during his trip.

5. Who had the most adventurous trip?
6. Who stayed in the most crowded place?
7. Who had the most relaxing vacation?
8. Who traveled the farthest?
9. Who spent the most money on souvenirs?
10. Who took the most pictures?

C.

Lily, James, and Oliver participated in a baking competition. Lily made a chocolate cake, James baked an apple pie, and Oliver prepared a cheesecake. The judges said Oliver's cheesecake was the most delicious. However, they loved Lily's chocolate cake as it was decorated beautifully. Moreover, James made his pie in just 1 hour, while Lily and Oliver each took nearly 2 hours. Even though Oliver's cheesecake tasted the best, it was also the most difficult to make.

11. Who made the most delicious dessert?
12. Which dessert was the most beautifully decorated?
13. Who finished baking the fastest?
14. Which dessert was the most difficult to make?
