

What time is it?
Summertime
It's our vacation
What time is it?
Party time
That's right, say it aloud
What time is it?
Time of our lives
Anticipation
What time is it?
Summertime
School's out, scream and shout

Finally, summer's here
Good to be chillin' out (yeah)
I'm off the clock (hey)
The pressure's off
Now my girl's what it's all about
Ready for some sunshine
For my heart to take a chance
I'm here to stay, I'm movin' away
Ready for a summer romance

Everybody ready, goin' crazy, yeah, we're out
Come on and let me hear you say it now, right now

What time is it?
Summertime
It's our vacation
What time is it?
Party time
That's right, say it aloud
What time is it?
Time of our lives
Anticipation
What time is it?
Summertime
School's out, scream and shout

Goodbye to rules, no summer school
I'm free to shop 'til I drop
It's an education vacation
And the party never has to stop
We've got things to do, we'll see you soon
And we're really gonna miss you all
Goodbye to you and you
And you and you
Bye bye, until next fall

Everybody ready, goin' crazy, yeah, we're out
Come on and let me hear you say it now, right now

What time is it?
Summertime
It's our vacation
What time is it?
Party time
That's right, say it aloud
