Vocabulary: Places in town | Types of neighborhood

Designed in Canva

1. Match:

- Park
- Skatepark
- Shopping mall
- Coffee shop
- Hospital
- Store
- Library
- Supermarket
- Bank
- Subway Station
- Police Station
- Restaurant

2. What place is it?

3. Choose:

- I work in an industrial area. I think it is very polluted and crowded. There's a subway station, and there are many bus stops. But there aren't any stores or supermarkets.
- My friend Luca works in an urban area. There aren't many houses, but there are many stores, drugstores, and banks. But there aren't green areas. I think it's safe, busy and interesting.
- My friend Mia lives in a rural area. There are not many houses, but there are many green areas. There is a small hospital and a cute school. There isn't a mall. I think it is boring, but she likes it.
- I live in a residential area. There are many houses and schools. There is a hospital and a bakery. There aren't green areas, banks, or gas stations. It is quiet and empty, especially on weekdays.

4. Where do you live? What is it like? Consider the checklist.

CHECKLIST

- [ ] Type of neighborhood
- [ ] Characteristics (ugly, safe, polluted, etc.)
- [ ] What you find there (There is / There are)
- [ ] What you don't find there (There isn't / There aren't)
