Read the following passage and choose the correct answer to each of the questions.

Raising a pet can be a fun and rewarding experience! However, it comes with responsibilities. First, choose the right pet for your lifestyle. Dogs and cats need a lot of attention, while fish or hamsters might be easier to care for.

Once you have your pet, make sure to provide a safe and comfortable home. This means a clean space, fresh water, and proper food. Regular exercise is also important, especially for dogs. Take them for walks or play with them daily.

Don't forget about regular vet visits! Pets need check-ups and vaccinations to stay healthy. Also, spend time bonding with your pet. Play, cuddle, and train **them** to build a strong relationship.

Finally, be patient. Pets can be challenging at times, but with love and care, they can become your best friends. Remember, a happy pet means a happy home!
