

- "Clean your weapons immediately!" the sergeant said to the soldiers.
- "Do not leave the trench without my command," the officer ordered.
- "Report to the command post at 06:00," the colonel said to the lieutenant.
- "Check the radio connection every hour," the captain told the operator.
- "Move the vehicles to the forest," the commander ordered the driver.
- "Do not use your mobile phones during the mission," the instructor said.
- "Provide the coordinates of the target," the major told the scout.
- "Put on your gas masks now!" the sergeant shouted to the recruits.
- "Do not open fire until I give the signal," the officer commanded.
- "Deliver these documents to the headquarters," the colonel said to the messenger.
