Meeting an Old Friend

Read the following paragraph about what Anna discussed with her friend Lucas. Use Present Perfect or Simple Past for the verbs in parentheses according to the context.

I met my friend Lucas today and we talked for a long time. He told me that he 1. _____ (break) his arm last year and couldn't play tennis, his favorite hobby, for months. Then, I told him about my important project for an animal rescue organization and I told him that I 2._____ (not/finish) the report and the schedule yet, so I still need two more days to work on it before I deliver everything. We also talked about our old classmates; some of them 3._____ (move) to Buenos Aires in 2021 to study, and a few of them 4. _____ (already/graduate). Before saying goodbye, he invited me to go to a Japanese restaurant next week. To be honest, I 5. _____ (never / try) sushi, so I'm not sure if I'll like it, but I said yes!
