Free Time Fun

I am Ahmed. In my free time, I like to spend time with my friends. Sometimes we go swimming at the beach, and we always have fun and laughed a lot. On other days, I enjoy reading a good book at home or painting pictures of nature.

When I feel tired, I like watching movies or playing computer games. These activities help and relax. At the weekends, my friends and I sometimes go camping in the desert or go hiking in the mountains. We enjoy the fresh air and beautiful views.

Free time is important because it makes us happy and helps us feel relaxed.
