A HEALTHY LIFESTYLE

 Is it important to you to be healthy? Why? / Why not?

The best articles will be published next month.

Write your article.

Now match the questions (1-5) to the student's notes below.

- 1 What can you do to feel healthier in general?
- 2 Should you eat well?
- 3 Should you sleep well?
- 4 Should you do exercise?
- 5 Why is it important to have a healthy lifestyle?

a	b	c
FRESH FOOD	ENJOY LIFE	COMBINATION OF ALL THREE THINGS - DIET, SLEEP, EXERCISE
d	e	f
SPORT - TWICE A WEEK	8 OR 9 HOURS	EAT LOTS OF FRUIT AND VEGETABLES
g	h	i
WALK NOT CAR	FEEL HAPPY	DON'T MISS IMPORTANT MEALS

2 Read Patrick's article. Did he answer all the questions?

In my opinion, a healthy lifestyle is a combination of food, sleep and exercise. If you eat well but you don't do any exercise, you can't be healthy.

It's essential to eat fresh food. For example, in my family we buy meat from the butcher's and we don't eat too much fast food. We also have fruit and vegetables with every meal. I think breakfast is an important meal if you want to have energy for the day.

You should also try to do exercise. Maybe do a sport twice a week or walk instead of going by car. If you are healthy, you will feel happy and enjoy life.

3 Write your own answer to the task in Exercise 1 in about 100 words. Make notes, organise your answer in paragraphs and answer all the questions.
