

4**Listen and choose the correct options to complete the text.** 

María has a very active routine during the week. She wakes up (**at 6:00** / **at 9:00**) in the morning and drinks coffee. Then, she goes to school (**on weekdays** / **on weekends**) at 7:30. She studies in the morning and eats lunch (**in the afternoon** / **at night**). After school, she does her homework and sometimes exercises (**after midnight** / **before dinner**). In the evening, she watches videos and talks to her friends. She usually goes to bed (**at 1:00 a.m.** / **at 10:00**).

On weekends, María does different activities. She wakes up (**early** / **late**) and has a big breakfast. On Saturdays, she goes out (**in the afternoon** / **before noon**) with her cousins. At night, she stays home and relaxes. On Sundays, she wakes up (**after midnight** / **before noon**) and helps her family. She prepares her things for school and goes to bed (**before midnight** / **at noon**).
