Cette image montre un **hall d'école** avec beaucoup d'élèves qui parlent et se déplacent. Au premier plan, il y a une **statue blanche d'une femme** avec une expression calme et un collier. À l'arrière-plan, des élèves sont dans les escaliers et en groupes. Une fille habillée en noir (probablement Wednesday) est debout, de dos, en train de regarder la statue ou la foule. L'atmosphère est animée et vivante, mais la statue crée une impression calme et mystérieuse.
