

Unit 9 – Lesson 2

Who helped the friends to design the park?

Journalist: Congratulations on winning the “Design a Park”! Can you me more about it?

Elena: We’re from different countries, but we to meet here in Canada for the competition. We all to our families for design advice.

Mason: My older brother us to think about activities. So we a skate park and a climbing wall.

Ling: My aunt is an architect, and she told us to the space and to make of our ideas.

Bruno: My grandparents told us to forget about benches and trash cans. It’s important that the park is!
