The Old Colonel

READING COMPREHENSION

I think I **have had** a very interesting life. I'm 73 now and I don't work anymore. I was in the army for 51 years. I retired when I was 69. I **have been** to so many countries that I can't remember all of them. I**'ve been** to Australia six or seven times and to South Africa three times. I **have also been** once to Russia but I didn't like it at all: much too cold for me!

They say that love is the greatest thing and I agree. I**'ve been married** four times but never for more than five years. I don't think women really understand me!

I**'ve never been** on television, but I**'ve been** on the radio once. It was a programme about life in the military about twenty years ago. I met the Prime Minister on the same day. Actually, I**'ve met** a lot of famous people: members of the royal family, famous politicians and also famous cinema and television personalities. I**'ve never met** the American President though which is a pity.

Because I**'ve travelled** a lot, I**'ve seen** a lot of wonderful things and **have also eaten** and drunk some strange foods and drinks. I ate cats and rats in India and drank something called Mirto on a little island in Italy many years ago.
