### University life

University is expensive in the USA and students also need to pay for course books, food and a place to live. A lot of students work to get extra money. Is it a good idea? We ask a student.

#### **Claudia, 23**

I'm a student in New York but I'm from Barcelona. I love my course, but New York is expensive so I work in the cinema in the evenings and on Saturdays.

My day usually starts at 7:45 am when I get up and have breakfast. Then they go to my classes at the university. They start at 9:00 am and finish at 12:30 pm. There aren't any classes in the afternoon so I study in the university library. I have something to eat in the student restaurant and I walk to the cinema. My working hours are 6:00 pm to 11:00 pm from Monday to Friday, and 1:30 pm to 11:30 pm on Saturdays. Sunday is my free day and I play tennis or go to a museum with my friends. My job is OK, but I don't want to work six days a week. I get home late and I only get six or seven hours' sleep. Sometimes, I feel very tired in my classes and I want to sleep, which isn't good.
