Full name: _____

Class: _____ Date: _____

# Activity 2

Create your own short story

## Instructions:

Write a short story about a robot in a school. Use the modal verbs might and could to describe what the robot can possibly do. Write 4-7 sentences.

## Remember:

- Use might or could to express possibility.
- Your story must happen in a school.
- Think about how the robot helps students or teachers.

**Write your story**

**My robot story:**

_____

_____

_____

_____

_____

_____

_____

_____

## Checklist

Before finishing, check your work:

□ I wrote 4-7 sentences

□ I used might or could

□ My story is about a robot in a school
