

1 Find the object pronouns in the paragraph.

My cousin lives in Egypt, and last summer I visited him. Egypt is a very interesting place. I loved it! First, I spent some time in Cairo. My cousin gave me a tour of the city. Next, we went to the Pyramids of Giza. First, I saw them from the outside. Then a tour guide took us inside. They were amazing!

2 Write the object pronouns from Exercise 1 in the chart. Write the words they talk about.
