Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

On the outskirts of Hanoi, the ancient village of Dong Ngac has been **flourishing** for over 1,000 years. Hidden from the usual tourist routes and almost untouched by modem development, this village preserves a unique part of Vietnamese heritage. Dong Ngac, also often called the "village of scholars", is well-known for its long tradition of education. Visitors to the village would be greeted by friendly locals who offer traditional treats like lotus tea and Banh Gio rice dumplings. The village has ancient stone gates and charming wooden houses lining its narrow streets. There is also the peaceful Tu Khanh Buddhist temple, which spans a large area. Inside the temple stands a special statue of a crane on a turtle, symbolizing long life and the village's historical **triumphs**. Dong Ngac has always been a center for learning. Many of its residents have become famous scholars and received royal honors since the Le Dynasty. Education has always been valued here, as shown by the book symbols carved into the village gates. Even today, families work hard to ensure their children's success in school.

31. What is the main point of the passage about Dong Ngac village?

A. Dong Ngac is a modem village with new buildings and schools.
