

## DAILY ROUTINE

My name is Daniel, and I have a busy daily routine during the week. I usually wake up at 6:30 a.m. and the first thing I do is check my phone. Then, I get up, take a shower, and get dressed for school.

After that, I have breakfast with my family. I usually eat eggs, toast, and drink a glass of juice. At 7:15 a.m., I leave my house and go to school by bus.

Classes start at 8:00 a.m. and finish at 2:00 p.m. My favorite subjects are English and Science because I enjoy learning new things and doing experiments. During the break, I talk with my friends and sometimes play games.

In the afternoon, I arrive home at 3:00 p.m. First, I have lunch and then I rest for a while. After that, I do my homework and study for my tests. On some days, I also practice soccer with my team.

In the evening, I spend time with my family. We usually have dinner together at 7:30 p.m. Then, I watch TV or use my computer to relax. Finally, I go to bed at 10:00 p.m. because I need to wake up early the next day.

### Read and choose the correct answer

- 1. What time does Daniel wake up?**
