

1. Read the text and answer the following questions:

### A day at the Market

Ali and Sara are at the market. Ali wants to buy this bag. He asks, "What is the price of this bag?"

The seller says. "The bag is not cheap, it is expensive. It costs a lot of money. "Sara looks at those shoes and says, "Are those cheaper?"

The seller replies. "Yes, those are cheap, but these are better."

Ali says. "I want to buy this bag, but I also want to sell that old phone to get more money. "Sara smiles and says, "Good idea". Then the cost of this bag is easier for you.

1. Where are Ali and Sara?

- a) school.
