

Ali in the market

Ali is at the market. He sees a fruit seller and says, "Hello!" The seller says, "Hello!" Ali looks at the apples and asks, "How much is this apple?"

The seller says, "It costs 5 dirhams." Ali smiles and says, "That's cheap! I want two, please". The seller gives him two apples and says, "Ok, here you are "

Later, Ali goes to another stall. He sees some toy cars and asks, "How much do these toy cars cost?" The seller says "That cost 40 dirhams"

Ali thinks for a moment and says, "That's expensive. I don't want them."

The seller says, "Ok, No problem "
