II. METHOD

1. UNDERLINE KEYWORDS

- Đọc câu hỏi và các đáp án **trước khi nghe**.
- Gạch chân những từ mang nghĩa quan trọng trong câu hỏi — thường là **danh từ, động từ, tính từ chính, từ để hỏi**. Bỏ qua các từ phụ như "the", "a", "is".
- Gạch chân **từ khóa trong từng đáp án A, B, C, D** để biết mình cần nghe cho thông tin gì.
- Khi nghe, tập trung vào các từ khóa đã gạch chân. Bài nghe thường **không dùng y hệt từ** trong đáp án mà sẽ paraphrase — cần nhận ra **ý nghĩa tương đương**.

2. WATCH OUT FOR TRAPS

Bài nghe thường cố tình gài bẫy bằng cách nhắc đến từ trong đáp án sai trước, rồi mới đưa ra thông tin đúng sau.

Cụ thể:

- Nghe thấy từ trong đáp án **không có nghĩa là đáp án đó đúng** — cần nghe toàn bộ ngữ cảnh.
- Đề ý các từ tín hiệu đính chính: "**but**", "**actually**", "**however**", "**in the end**" — thông tin đúng thường đến sau các từ này.
- Đề ý **phủ định**: "**doesn't**", "**isn't**", "**not**" — tránh nhầm nghĩa ngược.
- Bài nghe thường **paraphrase** đáp án, không dùng y hệt từ trong đáp án — cần nghe **ý nghĩa**, không phải từng chữ.
- Thông tin đầu tiên có thể là bẫy, nên học sinh cần nghe đến hết câu hoặc hết lượt nói trước khi chọn đáp án.

IV. Read the text and decide if the statements are TRUE or FALSE.

Managing money is an important skill for everyone, not just adults. Many young people receive pocket money from their parents each week. This small amount may not seem like much, but learning to manage it well is very useful for the future.

Some teenagers find it difficult to afford the things they want, such as clothes from a popular brand or the latest technology. Instead of spending everything at once, a smart habit is to save up for something over time. For example, if a new pair of shoes costs half of your monthly pocket money, it is better to wait and save rather than borrow.

Not everyone finds this easy. It can cause frustration when your friends have things you cannot buy. However, learning to appreciate what you already have is an important life lesson. Some people feel forlorn when they compare themselves to others, but experts say that it is never fair to compare yourself to a billionaire.

Statements:

1. The text says that only adults need to learn how to manage money. _____
2. Pocket money from parents can help young people practise managing money. _____
3. The text suggests spending all your pocket money as soon as you receive it. _____
4. Feeling frustrated when friends have more than you is something the text mentions. _____
5. According to the text, appreciating what you have is an important lesson. _____
6. The text says comparing yourself to a billionaire is a fair and helpful thing to do. _____
