

## Multiplying by 3, 4 and 8

Each student raises 4 fingers up.

Write the number of fingers in each group.

1.   $\square \times \square = \square$

Complete the multiplication facts.

2.  $\square \times 3 = 15$

3.  $6 \times \square = 48$

4.  $4 \times \square = 28$

5.  $8 \times \square = 64$

Each boat in a race has 3 rowers.

Find the missing numbers.

6.  $\square$  boats will need 15 rowers.

7. 9 boats will need  $\square$  rowers.

8.  $\square$  boats will need 36 rowers.
