

English for children

Exercise 1. Reading and listening.

A Busy Student Life

Lucas is a student who always tries to achieve his goals. He usually wakes up early and begins his day with energy. He often accepts new challenges at school. His teachers say he is responsible and kind. He frequently answers questions in class. Sometimes he feels tired but he continues working. He never gives up on his dreams.

At school, Lucas normally arrives on time. He generally carries his books and materials. He often asks questions when he doesn't understand. He sometimes argues with classmates but learns from it. He rarely forgets his homework. He usually checks his work before submitting it. He always tries to improve.

In science class, Lucas loves experiments. He often mixes liquids that boil and change color. Sometimes things break or burn during experiments. He carefully observes when things appear or change. He learns how things work and how they are built. He frequently brings new ideas. He enjoys learning every day.

At home, Lucas helps his family. He sometimes cooks and occasionally bakes bread. He usually cleans and carries groceries. He rarely argues with his parents. He often calls his friends. He sometimes plays games. He always respects his family.

Lucas also practices sports. He often runs and climbs hills. He sometimes feels pain but continues. He rarely gets injured. He usually trains every afternoon. He always tries to become stronger. He never quits practice.

In his free time, Lucas enjoys reading. He frequently chooses interesting books. He sometimes writes stories. He often imagines new ideas. He rarely gets bored. He usually shares stories with friends. He always learns something new.

Lucas believes in himself. He always works hard to achieve success. He usually plans his day carefully. He often helps others. He sometimes makes mistakes but learns. He rarely feels afraid. He never stops trying.
