

A. Read the dialogues and guess what kind of TV programme the people are watching.

1. A: What's it going to be like tomorrow?
B: Cold and windy.

2. A: So, what's the answer?
B: That's easy. The capital of Australia is Canberra.

3. A: Look at that tiger!
B: Oh no! It's attacking the deer. I can't look.

4. A: What happened?
B: There was an accident in the city centre.
A: Did anyone get hurt?
B: Shh! I want to listen.

5. A: I can't believe you're watching that again.
B: I think it's funny.
A: It's silly. Camels don't talk, sing and dance. It's for kids.
B: Well, I like it.

6. A: Wow! She's got a beautiful voice.
B: Yeah, she does.
A: I think she'll be the winner.

7. A: Who's that?
B: That's Paul's sister.
A: Is she Maggie's best friend?
B: No, that was Paul's mother.
