

Present Perfect vs Simple Past

Structure	Simple Past	Present Perfect
Affirmative	Subject + past verb <i>I visited my friend.</i>	Subject + have/has + past participle <i>I have visited my friend.</i>
Negative	Subject + did not (didn't) + base verb <i>I didn't visit my friend.</i>	Subject + haven't/hasn't + past participle <i>I haven't visited my friend.</i>
Question	Did + subject + base verb? <i>Did you visit your friend?</i>	Have/Has + subject + past participle? <i>Have you visited your friend?</i>
Time words	yesterday, last night, ago, in 2020	ever, never, already, yet, just
Use	Finished past actions (we know when)	Experience / no exact time / result now

Trip to the Beach

I **have traveled** to the beach many times in my life. I really love the ocean and the warm weather. **Last year**, I **went** to San Andrés with my family. We **stayed** in a small hotel near the beach, and every morning we **walked** by the sea. We **swam** every day and took many photos. One day, we **visited** a beautiful island and ate fresh fish. I **have never seen** water so blue before! It **was** an amazing experience, and I **have always wanted** to go back since then.

A New Dish

I **have tried** many new foods in my life, but one experience **was** very special. **Last month**, I **tried** sushi for the first time with my friends. At

first, I **felt** a little nervous because I had never eaten raw fish before. We **went** to a small restaurant, and we **ordered** different types of sushi. I **tasted** it, and I really liked it! I **discovered** new flavors, and I **enjoyed** the experience. I **have never eaten** something so different before, and now I want to try it again.
