

My number one food is traditional fish
¹..... chips, especially outdoors, in
paper. It's easy to buy this everywhere
in the UK, ²..... I think the best
place is at the seaside. I like it with
lemonade ³..... tea.

I think rice pudding ('arroz con leche')
is my favourite comfort food. It's made
from rice, milk ⁴..... sugar. Most
people have it with cinnamon on top,
⁵..... I like it with strawberries ⁶.....
sometimes with nothing.

I'm Spanish, ⁷..... I live in Germany.
For me, it's a tortilla, just with eggs
and potatoes ⁸..... maybe eggs,
potatoes and onions. I can make a
good tortilla, ⁹..... my mother's
tortilla is the best. She often cooked it
for me when I was young, ¹⁰..... she
cooks it now when I visit her.
