C. Editing

Rewrite the paragraph with the correct capitalization and punctuation, and fix the mistakes in subject-verb agreement. There are ten mistakes.

The giraffe are the tallest animal in the world It has a very long neck and long legs, which help it reach leaves high up in the trees. Giraffes eating mostly leaves flowers and fruit from tall trees. They use their long tongues to pull the leaves into their mouths. Giraffes live in africa, where the land are wide and open, and the weather are hot. they often walk slowly in groups called herds. baby giraffes are called calves, and they can stand and walk soon after they are born.
