

Listen to the movie and put the dialogue in order.

## Forrest Gump

Do you want a chocolate?

I could remember my first pair of shoes

My mama always said "life was like a box of chocolates"

Where they go, where they've been

You never know what you're gonna get

Those must be comfortable shoes

I could eat a million and a half of these

I wish I had shoes like that

Hello , my name is Forrest , Forrest Gump
