

Name: _____

Class: _____

1. Read the definitions and fill in the blanks.

someone who plays a musical instrument or performs music.

a person involved in politics or government decisions.

someone whose job is to clean buildings or houses.

a person who studies or works in science.

someone who prepares and sells books, magazines, or newspapers.

someone who cuts and styles people's hair.

a person who works in a library.

a person who works on a boat or ship.

2. Read the following texts and match the dream job with each person, give reasons why.

Emma enjoys being creative and is passionate about expressing herself through sounds. She practices regularly and loves sharing her feelings with others through performances. She feels confident in front of an audience and often joins talent shows or events.

Daniel is calm and well-organised. He prefers quiet environments and enjoys helping others find useful things. He's very comfortable working with lists, keeping things in order, and using technology to manage information.

Alex is a logical thinker. He enjoys solving problems, especially when they involve systems or codes. He prefers working independently and finds great satisfaction in creating things that function well behind the scenes.

Julia is energetic and sociable. She loves working with her hands and has a great sense of style. She enjoys helping people feel confident and is very talkative with everyone she meets. She's happiest when she's busy and interacting with others.
